

Communication and Community Resources

Please keep your current mailing address, email address and phone numbers updated via the Parent Portal, and please notify the school office of any changes as well.

Email

Email is the primary means of communicating important information with parents. Parents should check email regularly as most of the messages regarding important school information and announcements are communicated via email. We recognize the large amount of emails each of us receives every day. Our goal is to be efficient, relevant and timely with the emails you receive from school.

Emailing Individual Faculty and Staff

- To email faculty or staff: firstinitiallastname@kimberton.org.
- Teachers have limited time and access to computers during the day. If you have an item that cannot wait 24 hours, please contact the Office.
- Any communications of a sensitive or potentially harmful nature DO NOT belong in email form.

Parent Page

This is the section of the website designed just for our KWS families. On the Parent Page you can find all kinds of information and resources: general school information, class specific information, important forms and handbooks, calendars, the Midweek Messengers, directories and contact information, community ads, and more.

Parent Portal (Family/Student Information- Password Protected)

This is the password protected section of the Parent Page. Every parent of an enrolled student uses their own username and password to enter the Parent Portal. This is where parents can find the school directory, class lists and class directories; update phone numbers, emails, addresses, update emergency contact and health/medical information, sign up for parent conferences and more. Each parent has an individual username and password to enter the Parent Portal. For help logging in, please contact the office.

School News, Updates and Important Announcements

Midweek Messenger

The Midweek Messenger is emailed to our parents most weeks throughout the school year. This is the main method of sharing important information & announcements from our many departments and teachers throughout the school. The MWM also contains news and pictures related to recent events within our school community. It is important to read The Midweek Messenger each week to stay updated. Current and past issues of the MWM are found on the Parent Page of our website.

Community

Coffee Cart

- When: Fridays, 8-9:30am (most Fridays when school is in session)
Where: HS Gym Lobby
Who: WELCOME TO ALL (Parents in Parent/Child-Gr12; alumni parents; friends of KWS)
Why: This is a great way to be a part of the KWS Community. Enjoy great coffee and friends. BYOMug!

Seven Stars Shop

sevenstarshop@kimberton.org

- When: Most afternoons 2:45-3:45pm and during Coffee Cart Friday mornings 8-9:30am
Where: HS Gym Lobby
The Seven Stars Shop is parent-run and supports our KWS Annual Fund. Our shop offers unique toys, books, art supplies, and gifts for sale. Come shop and/or volunteer!
