

Seven Stars Shop

The Seven Stars Shop is a parent-run store on campus that offers unique toys, books, art supplies, and gifts for sale. The children's books and toys are especially selected to encourage imaginative play, artistic development, and appreciation for the natural world. The store also carries greeting cards, handcrafted items, and gifts for all ages. The selection of items in the store reflects the changing seasons and festivals of the year. There are also a variety of books on Waldorf education, child development, natural parenting, and Rudolf Steiner's philosophy. Shopping at the school store is a wonderful way to support Kimberton Waldorf School!
